

Lympstone C of E Primary School

Curriculum statement

Our curriculum statement delivers our school vision-

'Let all that you do be done in love'

1 Corinthians 16:14

At the heart of our school is sense of community where we celebrate individuals and share our values to enhance the local and global family. Our values underpin everything we do. These are:

Love, Peace, Compassion, Courage, Forgiveness, Justice and Equality

With this in mind, our curriculum is built on the foundations of six cogs of rich learning. These are:

Our curriculum is based on our school vision of 'let all that you do be done in love' promoting enjoyment in all aspects of learning. It also aims to develop the key attributes of learning for life which we deploy through each subject in everyday teaching and learning across the curriculum. The curriculum at LPS is underpinned by the NC 2014 and identifies the progression of developmental skill, knowledge and challenge. This is enhanced by ensuring that we have a broad and deep subject coverage to value individual preferences and talents, ensuring that children are inspired and access opportunities that are relevant to their future.

We encourage children to take part in a variety of new opportunities and experiences that are both academic and social to discover new skills and develop a love of learning .

Our curriculum promotes resilience and independence to enable success and happiness in the wider world.
