Reading:

You will be continuing to use the Collins reading platform that you are now familiar with and books will be assigned at the end of the week on a Friday. Please record when you hear them read and let us know how they get on with the books. It is good practise to read them more than once as this helps children become more fluent and confident readers.

Book Worm club will start on 19th January.

Please come along to enjoy reading with your child the physical copy of their reading book. Any questions, please do ask!
