'Let all that you do be done in love'

What a fantastic super first week back!

It has been such a sunny start for us all, and everyone has slipped straight back into the swing of things — wonderful to see.

Much of this week's news is linked to charity, which feels especially fitting as our school value this half term is SERVICE. There is kindness happening everywhere.

Class Dojo

I love having Class Dojo in our school. It is an incredible way to strengthen our home-school links and to share all of the lovely things we do. It is a positive, celebratory space, and I would like to gently remind everyone that it needs to remain that way.

It is not a social media platform and should not be used as such. If you ever have any concerns, I am always available — please come and speak to me directly so that we can keep our communication positive.

Purple Up Day

What a wonderful day we had on Friday, celebrating our amazing military children and families.

A huge thank you to the RM Band, who were incredible as always, and to the RM Charity for bringing the lovely Leo the Lion to visit us. We thoroughly enjoyed having parents speak to each class, as well as the PT team who certainly put us through our paces!

A special mention to Ivy, Jimmy, Evie and Isla for their fantastic assembly presentation — it was so interesting to hear about your experiences.

Days like these remind us what a special community we have. One-third of our families are military, making April — the Month of the Military Child especially meaningful for us. We recognise every child as a valued individual

and draw on the British Values of tolerance and mutual respect, alongside our school values of compassion and friendship, to support and encourage everyone. These threads are woven through all that we do and help make our school the beautiful place it is.

Thank you to everyone involved for such a great day.

Cake Sale

Mrs Napier would like to say a huge thank you to everyone who bought cakes — over £200 was raised for Aggie's charity.

Lots of raffle prizes were won too, and Mrs Napier will be in touch with the winners.

Balloons charity walk

On Sunday 26th April, two of our children, Martha and James, completed an impressive 12-mile walk from Exmouth to Starcross to raise money for Balloons, a charity very close to their hearts.

Many of us went out to support them, and they were blessed with a beautifully sunny day. I am incredibly proud of everyone who took part — some tired legs but very full hearts this morning.

Well done to you all.
