5th June 2026

‘Let all that you do be done in love’

WOW Week has certainly delivered – ‘Where in the world?’ has been a super big question to start our term and it has been wonderful!

Every class enjoyed a range of hands-on learning experiences, from developing map skills to cooking delicious treats and exploring new words and phrases in different languages. We ended the week with a special assembly where each class proudly shared what they had learned.

Year 4 Maths celebrations

This week, Maple Class completed their special multiplication tests. They have all worked incredibly hard in the lead-up to this and gave it their absolute best. Another shining example of the perseverance and dedication shown by our amazing children. Well done, Maple!

Book Fest

A HUGE thank you to the children in Beech Class, who came up with the brilliant idea for Book Fest, a fundraiser to help us buy more books for the library. Not only did they design the event, but they also created and ran the stalls themselves. Their hard work paid off, raising nearly £80. Thank you for your creativity and effort.

British Values

In our Thursday assembly, we have been exploring our British Values. It is so important for children to understand the rules that guide our country and why

they matter. We link these values to our own School Values and discuss how we put them into action every day. Please do ask your children about what they have been learning.

Diary Dates

Monday 8th June – Y1 Phonics Screening Check

Wednesday 10th June – Y6 Heads Up Transition session
