‘Let all that you do be done in love’

It's been a rather mixed week of rain and sunshine, but that has not stopped us from having a wonderful week of learning and fun.

The summer term is packed with exciting activities and lots of hands-on discovery, and this week has been no exception!

Year One Phonics Screening Check

This week, Willow Class completed their phonics checks. They have all been working their socks off, using their decoding skills to decipher real and “alien” (pseudo) words. What a super job they all did - we are all so proud of their brilliant reading skills.

Tennis enrichment

This week, Oak, Willow and Sycamore had a special tennis session from the LTA. The children all loved it. Tennis is a sport that they really enjoy, so it was great to see them practising their skills.

Dartmoor 3 ball

A huge well done to all the children who have represented the school in the Dartmoor 3 Ball tournament. As always, you all gave your very best and had a super time. We are all very proud of your enthusiasm and super skills.

Sports Day

We are all very much looking forward to our Sports Day on Wednesday.

Please make sure that you have read the letter and that you all know your child's house name. Please do get in touch as soon as possible if you don't! I am so excited to celebrate this day with you all. It is always a highlight of the year - let's hope that the sun is shining for us! The PTFA will be on hand to sell food and drinks throughout the day. Please do let Mrs Briggs know if you can offer your help on the day.

Please may I request that, when we are running the sprinting races, you stay on the sideline and not across the finish line. Some of the children have expressed that this can sometimes be off-putting for them, and it also makes it difficult for the teachers to see who the winners are. We want all the children to enjoy the day in the fun spirit it is meant to have. Thank you so much for your help with this matter.

Mental Health Coffee mornings

As you know, our work with the Mental Health Support Team is one that we are truly grateful for. I would like to thank you all for completing the recent surveys. I greatly value your thoughts and opinions and always try to make a conscious effort to act on your suggestions.

One of the things that was mentioned was a way for parents to talk about their worries, so Miss Nash will be running a series of coffee mornings for you. This week's focus will be anxiety. It would be lovely to see you there.
