3rd July 2026

‘Let all that you do be done in love’

The sun has certainly been shining in Lympstone this week, and our children have been busy shining just as brightly! From exciting transition events and memorable outdoor adventures to preparations for next week's production, there has been plenty to celebrate.

Transition

Last week, we all enjoyed spending the day in our new classes as part of our transition programme. It was a wonderfully positive experience for everyone, and the children are already looking forward to getting to know their new classmates and teachers even better in September.

This week, our lovely Year 6 children heading to ECC had a three-day transition visit. They returned full of enthusiasm, confidence and excitement about the next stage of their journey. We have also had others visiting Exeter School and Colyton and have a group visiting St Peters next week, we wish them all a happy, successful and positive experience.

Beech Class fun

Beech Class have been incredibly busy recently, balancing transition activities with visits to Sideshore. On Friday, they enjoyed a truly fantastic day at Orcombe Point with Red Rock Outdoor Camp.

The children took part in kayaking, stand-up paddleboarding (SUP), and even had the opportunity to try a giant SUP board! They were blessed with beautiful weather, making the experience even more special. The day ended with parents joining us on the beach for a fish-and-chip picnic, providing a wonderful opportunity to come together and reflect on the many happy memories this amazing group of children has made during their time at Lympstone.

Maple camping trip

A huge well done to Maple Class, who headed off to River Dart for an overnight camping adventure on Thursday—and what a fantastic time they had!

The children pitched their own tents and enjoyed a range of exciting activities, including a river walk, archery and Nerf games, before settling down for the night (or at least that was the plan!). Although a little tired on their return, they came back with smiles on their faces and heads full of wonderful memories that will last for years to come.

A Hint of Snow White production

Next week brings our much-anticipated production of A Hint of Snow White. The children have been working incredibly hard and are putting the finishing touches to what promises to be a very special show.

If you haven't purchased your tickets yet, please do so soon—we can't wait to share their hard work and talent with you.

Positive behaviour

As we approach the end of term, I would like to take the opportunity to remind everyone of the importance of reinforcing our Golden Rules at home. This time of year is always busy and exciting, and the recent hot weather can make it more challenging for children to regulate their emotions and behaviour. While I understand these challenges, it remains important that all children continue to make positive choices and understand that there are consequences when expectations are not met.

Together, we strive to teach our children the importance of kindness, respect and consideration for others, both through their actions and their words. By working in partnership and sharing the same messages at home and at school, we can help ensure that every child continues to flourish as a caring and responsible member of our school.

Diary Dates

Tuesday 7th July – Whole school to watch Snow White dress rehearsal

Thursday 8th July - A Hint of Snow White – production 6.30pm (Children participating in the production need to be back for 6.00pm)

Friday 9th July – A Hint of Snow White – production 6.30pm
